Dear Mr. Morisy:

This is in response to your May 6, 2013 Freedom of Information Act (FOIA) request for all Defense Advanced Research Projects Agency (DARPA) responses sent to Congressional committees between January 1, 2008 to the process date of your FOIA request. On June 5, 2013, you provided a selected list of Congressional committees of interest with the members. We received your request on the same day.

DARPA searched its files for records such as those described in your request. However, they concluded its search without finding any responsive records. They stated that the majority, if not all, of DARPA's letters to the Hill are in response to member letters of support on behalf of their constituents.

If you are not satisfied with this action, you may appeal to the appellate authority, the Director of Administration and Management, Office of the Secretary of Defense, by writing directly to the Defense Freedom of Information Policy Office, Attn: Mr. James Hogan, 1155 Defense Pentagon, Washington, D.C. 20301-1155. Your appeal should be postmarked within 60 calendar days of the date of this letter, should cite to case number 13-F-0774, and should be clearly marked "Freedom of Information Act Appeal."

Sincerely,

A handwritten signature in cursive script, appearing to read "Carter Wilson", is written above the typed name.

A handwritten word "for" in cursive script is written to the left of the typed name.
